

**SUFFOLK COUNTY COUNCIL (PARISH OF THURSTON) (VARIOUS ROADS)
(20 MPH ZONE AND REVOCATION) ORDER 202-**

Statement of Reasons

Suffolk County Council is proposing to introduce a new 20 mph zone to complement the traffic calming measures installed as part of recent development in the area. The proposed 20 mph zone includes Thurston Community College and the library at its western extents, and Thurston Church of England Primary Academy at its eastern end.

The purpose of the proposed 20 mph zone is to avoid danger to persons or other traffic using the road and to prevent the use of the road by vehicular traffic in a manner which is unsuitable having regard to the character of the road and adjoining property. The proposed 20 mph zone will enhance road safety conditions and support an environment that encourages active travel and connection within the community.
