Providing CIL is spent in accordance with the above CIL monies may be used to provide seed or match funding with other income streams and / or may be spent collaboratively with other parish councils, community interest companies or other providers to make the most efficient use of funding to benefit the community.

**Council will need to decide if the projects:**

- a) meet the criteria as outlined in the [CIL Grant Awarding Policy](#)
  - b) can fulfil the demonstrable requirements.
2. Should the above be proven, Council will need to then decide if the projects:
    - a) are to be funded in the full requested amount
    - b) are to be limited in funding, and if so, the extent of the Council's financial support.
