Summary

Bank reconciliations within Parish Councils involves comparing the council's financial records with the bank statement to ensure that both are accurate and consistent. This process helps identify discrepancies, such as missing transactions, bank charges, or direct debits and ensures the council's financial records are up-to-date and accurate.

The Parish Council has bank accounts with Lloyds Bank, Redwood Bank and Unity Trust which need to be reconciled individually. All bank accounts are reconciled to provide a comprehensive check on the overall bank position.

The Vice-Chair as the lead Internal Controller and as a non-signatory shall sign the reconciliations as evidence of verification at Council meetings and this activity will be minuted accordingly, in accordance with Section 2.6 of the Council's adopted Financial Regulations, (a member other than the Chair shall be appointed to verify bank reconciliations for all accounts and will sign and date the reconciliations quarterly for reporting to the Council.
