

THURSTON PARISH COUNCIL

Minutes

Minutes of the Thurston Parish Council meeting held on Wednesday 1 July 2026 in the Community Library, Norton Road, Thurston, commenced at 7pm

Present: Cllrs Dashper (in the Chair), Allen, Balaam, Bond, Marsh, Millest, Morris and Rainbow,

Also in attendance: Mrs Border, Clerk, Mrs Gladwell, Deputy Clerk, Mrs Waples, Responsible Financial Officer, District Cllrs. Richardson and Bradbury and two members of the public.

1. OPENING OF THE MEETING

The Chair formally opened the meeting at 7.00pm and read out the Protocol adopted by the Parish Council for reporting at Parish Council Meetings.

A copy of the [Protocol for recording at meetings can be downloaded from the website:](#)

2. APOLOGIES

- a) Council to receive apologies for absence – verified apologies for absence were received from Cllrs. Moy, Smith and West
- b) Council to consent to accept apologies received - Council resolved to accept the apologies submitted
- c) Council also noted the submission of apologies from PCSO Brown.

3. DECLARATIONS OF INTERESTS FROM COUNCILLORS INCLUDING GIFTS OF HOSPITALITY EXCEEDING £50 –

- a) To receive declarations of disclosable pecuniary interests; other registerable and non-registerable interests as detailed in Appendix B of the LGA Model Code of Conduct – Cllr. Bond for agenda item 11d. There were no other interests declared for the meeting.
- b) To receive notification of gifts or hospitality exceeding £50 – there were none submitted.
- c) To note the determination of requests for dispensations in accordance with Council's Dispensation Policy – there were none to be reported as having been determined.

4. MINUTES OF THE PREVIOUS MEETINGS: (all as previously circulated):

- a) To receive and approve the minutes of the previous meeting held on Wednesday 6 June 2026
 - i. It was resolved to approve the minutes as previously circulated and the Chair signed the minutes as a true and accurate record of the proceedings that took place.

5. REPORTS FOR INFORMATION

- a) To receive report as submitted by County Councillor Matt Bentley – Cllr Bentley's written report shared prior to the meeting was taken as read and [is available on the meeting's associated documents webpage](#).
- b) To receive reports as submitted by District Councillors David Bradbury and Harry Richardson – Cllr Bradbury confirmed that Mid Suffolk District Council were no longer taking cheques for payment with consideration to be given on how this may impact local people. Cllr Richardson's written report shared prior to the meeting was taken as read

So approved and signed at the meeting of 5 August 2026

and [is available to read on the Parish Council's associated documents page](#). The following matters were brought to the attention of the meeting.

- i. New kerbside waste system is doing well however some households were still to receive the new bins and this is being actioned as a priority.
- ii. The joint local plan for Babergh and Mid Suffolk is delayed with concern that there is a risk of non-compliance.
- iii. National rail update expected for Thurston at the end of July.

Cllrs Richardson and Bradbury left the meeting at this point in the agenda.

6. POLICE MATTERS

- a) To receive a report from PCSO Matt Brown from Stowmarket Community Policy Team (CPT) on crimes relating to Thurston for the month of June 2026. PCSO Brown's written report shared prior to the meeting was taken as read and is [available to read on the Parish Council's associated documents page](#). There were twenty-three crimes recorded in the area for the month of June. During the last month PCSO Brown has been engaged with several partner agencies working in the area on issues being raised for Anti-social behaviour; work in and around the area identifying suspects for thefts and assaults; working with both schools in relation to safeguarding. PCSO Brown has also been used in Long Melford due to a major investigation (highly dangerous chemical located in a property) for scene containment.
- b) To consider matters for referral to Stowmarket CPT – there were no matters for onward referral.

7. PUBLIC FORUM

- a) To receive comments from members of the public on the agenda submitted

Comments were received in relation to Item 16 concerning the future transfer of land and ongoing discussions between the Parish Council and New Green Community Trust. Members of the public expressed concern that the time taken to conclude the legal transfer process had delayed the opportunity for forward planning and suggested that a working group could meet on an informal, non-legally binding basis to explore future ideas and opportunities.

In response, the Chair confirmed that both organisations remain committed to working positively together and that there is a shared willingness to discuss future aspirations. It was reported that the planning permission associated with the transfer process has not yet been formally issued and remains subject to final sign-off. Once planning permission is issued, a statutory period of six weeks and one day must elapse before the transfer documentation can be completed.

The Chair further advised that whilst the request for an informal exploratory meeting had been noted, it was considered prudent to await the completion of the current legal and planning processes before progressing with discussions on future arrangements.

- b) To receive comments from members of the public on matters relating to Thurston

The Council received correspondence from a member of the public regarding councillor contact details. The correspondent thanked councillors for the work they undertake on behalf of the community but questioned why individual councillor email addresses are not

published. It was suggested that making contact details publicly available could encourage greater engagement between residents and councillors, strengthen communication, and help build trust within the community.

The comments were received and noted by the Council.

There being no further comments from members of the public, the Chair moved to the next item of business.

8. STATUTORY BUSINESS

- a) To receive an update for the vacant posts of two Councillors. To date, only one nomination had been submitted for consideration. Council considered the nomination for one of the vacancies it was resolved that Tom Howard be coopted onto the parish council. Cllr. Howard signed his Declaration of Acceptance of Office and was welcomed to the table.
- b) To note The Play Inspection Company's annual inspection report for all play areas and consider any recommendation. The annual play inspection was carried out on 9th March. The report highlighted one item as high-risk red, a fixing missing from the arm of the rotator at New Green. The equipment was taped off numerous times whilst a replacement part was ordered however it is believed that a Kompan inspector replaced it during the quarterly operational inspection. This play item has passed subsequent inspections. Various other low risk recommendations are all being addressed by officers and the ranger. Consideration will be needed on bark top up at Heath Road and replacement of some surface matting at New Green. Swings at all playgrounds have been replaced to address cracked seats and worn chain links. It was noted that the recommendation for reinstating grass in worn areas was not practical at this time. Plastic caps have been sourced to address the numerous exposed bolt threads which the ranger will install where possible.

9. TO RECEIVE REPORTS FROM THE FOLLOWING COMMITTEES

- a) Planning and Infrastructure committee meeting – draft minutes and report from the meeting of 17 June 2026. Update with consultants regarding review of Neighbourhood Plan. Moving forward on with the detail on site assessments with statutory consultees providing feedback around whether sites submitted are developable. All information is useful in building up momentum around the review.
Planning applications considered; application for 15 bungalows (DC/26/01628 Erection of 15 Retirement bungalows - Land East Of Woodlands Barrells Road), considered with a recommendation for refusal submitted and a garage conversion supported. The draft minutes of the meeting are available on the website.
- b) Biodiversity Open Day Working Group meeting – to receive an update from the meeting held on 26 June 2026. Risk assessments and association documentation were in the process of being finalised by Officers. Organisation of the event is coming on well, the Event Management and Safety Plan highlights only a few actions still in red. Gaps in the steward rota were filled by members and an official photographer put in place. It was confirmed that the parish council have four stalls; Nest Box project, Launch of Photo comp, a Nature Hunt and explore the Wildlife Garden, plus a display of the Biodiversity Action Plan. Eight local environmental groups are confirmed as attending.

So approved and signed at the meeting of 5 August 2026

10. CONSIDER MATTERS RELATING TO PLANNING

- a) To receive an update from the Responsible Financial Officer on DC/23/02429 in relation to the Planning Permission relating to land at Barrells Green, land at Church View Meadow and land to the west of Sandpit Lane (New Green). Planning permission has still not been finalised, a meeting with the applicant tomorrow will hopefully bring positive news. It is understood that Section 111 and Section 109 are signed however the planning permission does not exactly follow the wording, there are some conditions being argued and terminology to be clarified. It was noted that the transfer document is not binding until the planning permission document is completed.
- b) To receive an update from the Responsible Financial Officer on Planning Application DC/26/01037 Full Planning Application – Redevelopment of Thurston Community College to include demolition of the existing school buildings and construction of a new school building, including sports hall, provision of new playing fields and multi-use games areas, and associated car and cycle parking, access and landscaping. Location: Thurston Community College, Norton Road - This application has gone through very quickly and planning permission issued already. The bus entrance and parking have been moved to Norton Road which is a positive response to the parish council's objections. There are twenty-nine conditions, of which no. 5 includes the parish council in discussions around a community user agreement for the facilities. It is understood that the headteacher is receptive to this.
- c) To receive an update from the Responsible Financial Officer on Planning Application: SCC/0020/25MS - Thurston Church of England Primary Academy, Pond Field Road, Thurston, Suffolk, IP31 3FT - Construction of new stand-alone 210-place teaching block and 30-place extension to existing pre-school with associated car parking, hard and soft landscaping works. This planning permission has been issued very quickly, less than a week after the committee meeting. The discussions at committee were positive around the concerns expressed by the parish council however no actions have been put in place to address the road crossing safety issues. There is however a condition that if any of the issues highlighted become apparent within the next three years, they must be addressed.
- d) To consider a response to Suffolk County Council's proposed 20 mph zone. The proposed zone extends from Thurston Community College and the library in the west to Thurston Church of England Primary Academy in the east. Concerns expressed that the zones suggested should be extended into Sandpit Lane and Station Hill. For example the 87m along Norton Road should be repeated along both of these approach roads. It was thought that extensions into the many cul de sacs were unnecessary and that additional street furniture to facilitate this should be avoided. In principle the council was supportive of the 20mph outside schools and resolved to support the proposal with the suggested amendments.
- e) To consider a response to the Babergh and Mid Suffolk Joint Local Plan Scoping Consultation 2026. It was agreed to delegate authority to Officers to submit a response on behalf of the Council, based on the Council's previous comments and representations.
- f) To consider a response to the West Suffolk Local Plan 2045 Scoping Consultation 2026. It was agreed to delegate authority to Officers to submit a response on behalf of the Council, based on the Council's previous comments and representations. During discussion, concerns were raised regarding the potential ingress of development along Mount Road and Sow Lane and these concerns were requested to be reflected within the Council's response.

11. TO CONSIDER MATTERS RELATING TO FINANCE

Documents received prior to the meeting and can be found on the Parish Council's agenda and minutes webpage, under associated documents and in appendix B of this document.

- a) To approve the accounts awaiting payment including those coming forth (Paper 1 – 01.07.26). The Council received and approved the list of payments for authorisation.
- b) To note the accounts paid since the last meeting (Paper 2 – 01.07.26). The Council noted the list of payments made since the previous meeting.
- c) To note receipts allocated since the last meeting (Paper 3 – 01.07.26). The Council noted the receipts allocated since the previous meeting.
- d) To receive the bank reconciliation for the period ending 30 June 2026 (Paper 4 – 01.07.26). The Council received the bank reconciliation for the period ending 30 June 2026.
- e) To receive the statement of accounts for the period ending 30 June 2026 (Paper 5 – 01.07.26) The Council received the statement of accounts for the period ending 30 June 2026.
- f) To note the CIL report for June 2026 including nominal sums for potential CIL expenditure for the coming year and receipts received (Paper 6 – 01.07.26). The Council noted the CIL report for June 2026 including receipts received to date of £302,637. Confirmed expenditure was noted as £73,512 for the year to date with committed expenditure being £5,501. It was further noted that the New Green Community Trust had accepted the offer of £9,000 of CIL funding towards the refurbishment of the toilet facilities.
- g) To consider requests for donation submitted to date (Paper 7 – 01.07.26). The Council considered the applications received and resolved to approve donations to the following organisations:
 - Thurston Scouts Group – £500
 - Thurston Table Tennis Club – £850
 - Youth Outreach Project – £500
 - Thurston Croquet Club – £500

Prior to discussion of the Youth Outreach Project application, Cllr Bond declared an interest and took no part in the discussion or decision-making process.

- h) To receive and consider the CIL bid submitted under CIL Bid Round 1 for the year 2026-2027 (Paper 8 – 01.07.26). The Council received a presentation regarding a proposal from Pakenham Village Hall for the rebuilding of the village pavilion. Whilst Members acknowledged the benefits that improved facilities may bring to neighbouring communities, it was considered more appropriate to retain available CIL funding for projects that directly benefit Thurston residents. The Council agreed that a future application for a specific community amenity, such as play equipment, may be considered once the wider project is completed. It was therefore resolved that the application be declined at this time and that the applicant be invited to submit a future bid should appropriate opportunities arise.
- i) To receive the final account for the Pavilion Refurbishment Project (Paper 9 – 01.07.26). The Council received and noted the final account for the Pavilion Refurbishment Project and was pleased to note that the project had been delivered under budget. Overall costs for the Pavilion, including additions and adjustments, building regulations and architects fees were noted as £53,983.29 against a funding stream of £54,602.00 resulting in an underspend of £618.71.
- j) To receive and consider the request to replace the Vehicle Activated Sign on Barton Road with a solar powered speed sign at a cost of £2,500 (ex VAT) plus £345 for a permanent 4G

So approved and signed at the meeting of 5 August 2026

connection (Paper 10 – 01.07.26). The Council considered the proposal and resolved to approve the replacement of the existing Vehicle Activated Sign with a solar powered speed sign. Authority was delegated to the Responsible Financial Officer to investigate options for similar installations at other suitable locations within the parish. Members also sought clarification on the extent to which speed threshold settings can be adjusted by the Council.

- k) To receive information from the Responsible Financial Officer for noting only. The Responsible Financial Officer reminded Members of the recently updated mileage expenses policy. The information was noted
- l) To receive and adopt the first quarter's internal control report (Paper 11 – 01.07.26)
The Council received and adopted the first quarter internal control report. During discussion it was noted that a review of staff contracts, the Staff Handbook and associated employment policies was required. The Council granted permission for the Responsible Financial Officer to undertake a review of staff contracts and for the Clerk to review employment policies and procedures. It was further agreed that Cllr West be requested to sign the relevant internal control documentation once returned from annual leave and return it to the Responsible Financial Officer.

12. COUNCILLOR REPORTS

- a) To report village matters of concern to the Clerk
 - Overgrown foliage adjacent to the bus shelter was reported as obstructing pedestrian access
 - It was noted that the Londis Shop had installed commercial washing machines in the corner of the car park. Concern was raised over their proximity to a neighbouring residential property
 - Ongoing flooding concerns were reported on Anglia Water's website
 - Overgrown vegetation at Pokeriage Corner was reported and requested to be raised again with the appropriate authority
 - Concerns were raised regarding recent near-miss incidents in the vicinity of Michaelmas Court. Officers were asked to review the associated planning permission for visibility and stop sight lines.
 - Fly-tipping in Pond Field was reported. Members noted that the incident had been reported to the Police and that the individual responsible had been required to remove the waste
- b) To receive items for information only from parish council appointed representatives on outside bodies/groups
 - It was advised that New Green Community Centre Trust had appointed new committee member. It was also reported that discussions had focused on the toilet refurbishment project and that the Trust's AGM would be held on 21 July 2026 at 7pm
 - It was reported that the Community Library's events calendar was largely full for the next 12 months and details would be included within the village newsletter. Concern was expressed regarding the planned closure of the school library for approximately seven months and the potential requirement for temporary premises within the village
 - It was reported that maintenance works to flat roofs at Cavendish Hall were due to commence
- c) To receive reports from councillors on meetings and training events attended

Cllr Millett reported attending a play equipment inspection and maintenance training course organised by the Society of Local Council Clerks. The training had provided a useful insight

So approved and signed at the meeting of 5 August 2026

into inspection requirements and factors to consider in relation to future play equipment provision within the parish.

13. CLERK'S REPORT

- a) To receive the reports of items actioned under delegated powers. The following were received:
- Officers had responded to the Babergh and Mid Suffolk District Council's sports and recreation survey on behalf of the Council
 - Clerk and Deputy Clerk completed three SLCC-run webinars on event planning
 - Clerk and Deputy Clerk also attended a webinar on the introduction of Martyn's Law
 - Officers are working on making the Parish Council's website and documents accessible, in accordance with public sector legislation, Web Content Accessibility Guidelines 2.2 (WCAG 2.2)
- b) To receive items of correspondence for noting only and in particular:
- i. Mid Suffolk Town and Parish Council Briefing Notes for June 2026. The correspondence was received.

14. PARISH LIAISON MEETINGS

- a) To receive the notes from the following parish liaison meetings
- Bloor Homes – 10 June 2026 (cancelled)
 - Persimmon Homes – 18 June 2026. Notes received regarding the final Parish Liaison Scheme meeting for Land West of Ixworth Road, Thurston, held on 18 June 2026, recorded updates on site completions, affordable housing delivery, completion of the Ixworth Road cycleway works, approval and ordering of enhanced play equipment for College Park, tree replacement and maintenance arrangements, installation of a dog waste bin, and progress on road adoption matters. The meeting covered the recently approved Thurston Community College application, community grant funding, and site signage issues. Follow-up actions included updates on play equipment installation, confirmation of dog bin installation, circulation of the management company guide, monitoring of tree health and replacement planting, and clarification of road adoption timescales.
- b) To confirm the dates of the next parish liaison meetings
- Vistry Homes – 2 July 2026 at 9.00am

The date was noted.

15. EXCLUSION OF PRESS AND PUBLIC

It was resolved that, in accordance with Section 1(2) of the Public Bodies (Admission to Meetings) Act 1960, the public and press be excluded from the meeting during consideration of the following items on the grounds that publicity would be prejudicial to the public interest by reason of the confidential nature of the business to be transacted.

- a) To consider whether the agreement with the New Green Community Trust over the future management of the Recycling Centre should cease following the closure of the facility on 1 July 2026. The Council considered the future arrangements and approved

So approved and signed at the meeting of 5 August 2026

the proposal presented by Officers.

- b) To consider the release of the recycling credits received for the years 2026-2027 and 2027-2028 (£3,058) to assist with the transition to kerbside recycling. The Council resolved that a portion of the funds should be retained to support any transitional arrangements for the future of the site and therefore to be approved at the next Full Council meeting
- c) To consider the future of the recycling centre following its closure on 1 July 2026. The Council discussed options for the future use of the site and agreed that Officers should investigate opportunities to repurpose the area for cycle storage. It was further agreed that the released recycling credits could be allocated towards the development of such a project and that the Council would continue to contribute the agreed monthly rental site costs whilst options were explored.
- d) To consider the paper submitted by the Responsible Financial Officer on the consultation brief for the evaluation of land for new recreational and leisure facilities in Thurston. The Council considered the consultation brief and was satisfied with its contents. Authority was delegated to Officers to invite those parties who had previously expressed an interest to participate in the process.
- e) To note an ask from New Green Community Trust to establish a working group to discuss future working arrangements following the transfer of New Green to the Parish Council. The Council noted the request and agreed that the establishment of a working group would be beneficial to all parties. It was recommended that the group be formed following completion of the transfer of the deeds.

16. NEXT MEETING

- a) It was agreed that the next Full Council meeting be held on Wednesday 5 August at 7pm, at Thurston Community Library

17. CLOSURE OF THE MEETING

- a) There being no other business, the meeting was closed at 8.46pm.
